SPRING

Greetings:

As the time for picnics and family reunions approaches, your Reunion President realizes that plans must be made for a bigger and better family get-together in 1967. Mark your calendar now... July 9, 1967 - Silver Creek Park. More details will be mailed later.

If you have any suggestions, or are able to volunteer to help with any of the Reunion activities, please fill in one of the blanks below and send it to me. We will try to make this year's Reunion what you want it to be - but we need to know your desires, and need your help.

If you have had a birth, marriage or death in your family since our 1966 Reunion, please notify our Family Historian so that she can bring her records up to date. She has been busy all winter adding new information and her research has spread into California and over into Switzerland. She will have some interesting facts to share with you at the Reunion.

Dr. Lily A. Weierbach, our Reunion Secretary and Historian, entered Wills Eye Hospital, 1601 Spring Garden Street, Philadelphia, for eye surgery on April 17th. I am sure she would appreciate hearing from any of you who want to wish her a speedy recovery.

You will have another news letter from me after our reunion plans have taken shape. In the meantime, let me hear about any ideas you may have. This is a family affair, you know.

So long for now,

Warren W. Wirebach
