All are invited to attend morning worship at the Trinity Lutheran Church in nearby Pleasant Valley. Services last year were 8:30 and 10:30 A.M. Times may vary this year. This is the church Johann Nickolas Weyerbacher helped establish in 1761.

Johann Nickolas Weyerbacher along with his wife Catharina Magdalena and 5 of their 11 children emigrated to Pennsylvania in 1751, settling in Pleasant Valley, Bucks County in 1754. They were wool weavers and farmers. We offer a tour of the Trinity Church where Johann's family and ensuing generations worshipped, and the adjoining graveyard where proceeding generations of Weyerbachers were laid to rest. In addition, nearby is the original farmstead property, long since broken up among many different owners, but their 19th Century home can be easily viewed from the road.

As always, there will be many family documents and photos on display spanning multiple generations including a copy of the 1751 ship's log. Additional family information is available at <http://www.weyerbacher.net>.

Over the years the number of elders attending our reunion has dwindled, with no sustaining next generation to replace them. The last couple reunions however have shown signs of positive momentum! If you are interested in researching your roots, or if it has been a long time or your first time attending, I encourage you to make arrangements to bring your family and join us in celebrating our **52nd family reunion**. It is our desire to keep the reunion going for as long as makes practical sense. This will not be possible indefinitely without your participation. We hope to see you and your family on July 9th.

To encourage those who live far from the reunion, the following short list of places to visit is being provided, all of which are within an approximate hour of our reunion site. It is hoped that you might consider an extended weekend in the area to reconnect with family members and stay awhile.

Their vision and desire to bring cousins together annually as a break from their busy lives, to greet and catch up with each other, is still being celebrated every second Sunday in July on the grounds where it all began in 1966. How pleased they would be.
